## SmartColor™ CLEANING CART

### A higher level of cleaning and productivity

An organized cleaning cart increases productivity significantly. The **SmartColor™** Cleaning Cart was developed with many suggestions from users and offers many innovative features, such as the flexible clip system for hanging tools. Equip the **SmartColor™** Cleaning Cart individually with our **SmartColor™** cleaning equipment, such as dual bucket, mops, mopholder and microfibre cloths. Thus, you are perfectly equipped for daily cleaning challenge.

The picture shows an example of equipment

Standard trash bag

RRCRT

**NEW**

Optional: Storage Module

- Nothing sticks out beyond base of cart.
- Storage Module doubles the supply space on the cart.
- Ergo Handrail: No matter which side of the cart you're on, you can push and pull with ease.
- Clip System: Tools are always where they need to be, and always clipped on securely.
- The base of the cart is designed to catch drips from cleaning tools.
- Wheel wells improve bucket stability and hold bucket in place.

#### SmartColor® CLEANING CART

Product	Part No.	Pack	€/piece
