

NIFTY NABBER® BAGGER

ERGONOMIC • COMPACT • ROBUST

The new Nifty Nabber® Bagger is a practical waste carrier for indoor and outdoor cleaning. It carries a waste bag and is easy manoeuvrable. Featuring a solid plastic bottom and two carry loops it easily can be pulled over the ground. It fits a standard 180 litre bag. Avoids lifting heavy bags during work and damage of bags. Perfect performance in combination with Unger Grabbing tools Nifty Nabber® and Paper Picker.

Compact

- Inside metal springs allow to collapse the bagger so it is flat and uses less space at storage.
- Fixable by velcro band.

Robust

- Solid Plastic bottom, can be pulled over floors like asphalt or ground.
- No carriage of heavy filled waste bags.

Ergonomic

- Big loops to pull bagger.
- Less bending or lifting of weight.

Protection

- Carries 180 litre waste bags, protects them from tearing up.
- Protects worker from sharp rubbish edges inside the bag.

NIFTY NABBER® TRIGGER GRIP

ERGONOMIC • MAGNETIC • VERSATILE

The new Nifty Nabber® Trigger Grip is a medium-duty grabber featuring magnetic tips, 360° rotating head and smooth-action trigger grip. Ideal for reaching objects at waist height or higher, the new light-weight design enables greater wrist flexibility and less arm stress. Can also be used for ground-level trash removal. Grab out-of-reach items without bringing hands into contact with unhygienic or unsafe objects.

Available in 4 lengths:
24"/60 cm, 32"/80 cm, 36"/90 cm and 40"/100

Trigger Grip

- Ergonomically-designed grip with smooth trigger-pull action for increase comfort and efficiency.
- Grip is made with glass-reinforced plastic for increased durability.
- Trigger-grip increases grabbing control with less application of force increasing productivity.

Rotating Head

- Access hard-to-reach areas or items with 360° rotating head.
- Retrieve items from tight, narrow spaces such as behind file cabinets, bookshelves, etc.
- Locks securely in place by pulling trigger and rotating head to desired position-locks every 90°.

- Wide-claw design opens to 5"/13 cm making it easy to grab larger diameter items.
- Grab and hold items up to 10 pounds.

Aluminum Shaft

- Composed of durable, lightweight aluminum. The shaft is designed to decrease fatigue and make waist-high and over-head use easier.
- Rust-resistant.

NIFTY NABBER® PRO

DURABLE • ERGONOMIC • HYGENIC

The classic Nifty Nabber® Pro is a heavy-duty grabber featuring powerful claws, steel shaft and ergonomic grip. Ideal for outdoor applications, this hard-wearing grabber helps reduce back injuries while picking debris off of the ground. Hands-free debris removal also helps prevent cuts, bruises or contact with dangerous substances. Available in 4 lengths that will suit every need and body type.

15"/40 cm, 35"/90 cm, 55"/140 cm and 98"/250 cm

Ergonomic Grip

- Comfortable squeeze handle helps maintain a firm grip on debris without tiring hands.
- Handle design keeps wrist, arm and hand in the optimal position for grabbing ground-level debris.

Strong Steel Claws

- Powerful claws grip small or oddly-shaped objects firmly — even broken glass, cigarettes or coins.
- Claws are made of steel with a molded rubber overlay for an extra-secure grip.

Rugged Design

- Maintain control of debris throughout the removal process — pick up and release items into trash receptacles in one motion.
- Strong enough for heavy-duty work, light enough to protect from back and arm strain.
- Overall steel construction wears well under the rigors of every day use.

Steel Shaft

- Shaft made from durable steel for long-lasting, dependable use.
- Rust-resistant coating.
